**WFTU TRADE UNION INTERNATIONAL PUBLIC SERVICE & ALLIED MESSAGE OF  
SUPPORT FOR THE 28<sup>th</sup> OCTOBER STRIKE BY SUTINSN DIRECTED AT THE  
MINISTRY OF HEALTH AND THE NATIONAL GOVERNMENT OF PERU, FOR LACK OF  
RESPONSE TO THE WORKERS GRIEVANCES.**

Johannesburg Monday, October 26, 2020

WFTU-TUI-PS&A Secretariat 2019-2023

**Attention: Dr Pilar Mazzetti Soler, the Minister of Health, Peru**

**RE: Message of Support to 28 October Strike by SUTINSN**

The Trade Union International – Public Service and Allied (TUI-PS&A) which represents more than 30 million workers across the world takes this opportunity to pledge its solidarity and support to the 28 October strike of the **“Sindicato Unificado de Trabajadores del Instituto Nacional de Salud del Niño” (SUTINSN)**. We fully support your struggle to defend collective bargaining, uphold adherence to health and safety regulations in the health sector and the call for government of Peru and the Health Minister in that country to listen and respond to the workers grievances.

The struggle that SUTINSN is waging in PERU is a global struggle waged by millions of workers across the world against neoliberal attempts to undermine and reverse the hard won historical gains of workers. Everywhere in the capitalist world, workers stand alone against the alliance of capital and the ruling political elites; the only hope of victory lies in worker unity and international working class solidarity.

SUTINSN has been knocking on the doors of government with a list of demands made by the frontline workers who are facing even more tough working conditions due to COVID 19 pandemic. We therefore ask the government to respect collective bargaining, stop violating workers' health & safety rights, stop allowing corruption to flourish unimpeded. We ask the government to honour all agreements with workers with respect to payments of all allowance due to COVID 19, provide workers with adequate PPEs that will protect frontline workers as they wage war against COVID 19 pandemic and address all the demands of workers as presented in their platform of the strike.

All our affiliates around the world will be supporting the struggles of our frontline workers in PERU on the 28<sup>th</sup> of October 2020.

Forward to Victory!!!

Long Live SUTINSN

Viva International Working Class Solidarity!!!
